

## St. Helen Booster Association Uniform Deposit Form

In years past, significant costs have been incurred by SHBA for the replacement of uniforms that were not returned or were returned damaged. In order to prevent these costs in the future, the following uniform return policy has been instituted and will be strictly enforced.

I, \_\_\_\_\_, as the parent of a child participating in a sport in the 2021-2022 season, understand that I am submitting a deposit check made out to St. Helen Booster Association in the amount of \$100 to ensure the proper care and timely return of the uniform at the completion of the season. I also understand that the check will not be cashed until after the deadline for return has passed or in the event the uniform is returned damaged.

As a parent of the participating child, I also agree to the below terms.

1. You must provide a \$100 check at the time of uniform pickup. No uniform will be distributed without a form of deposit.
2. You must return the uniform on or before the specified turn in date or the deposit will be forfeited.
3. You must return the uniform directly to the SHBA uniform coordinator or a designated member of the booster association (and not the coach or the school) or the deposit will be forfeited.
4. If the returned uniform is damaged then the deposit will be forfeited.
5. In the event a check is returned for insufficient funds, a \$35 returned check fee will be incurred.
6. Upon return of the undamaged uniform your check will be returned or destroyed.
